

ABC Song Activity 10: Wee Match

Activity 10

“Wee Match” is a very basic, yet effective ABC activity which will help your child identify letter names and their shapes.

Grades: PreK – 1

Goal:

- Recognize and identify letter names and letter shapes

Materials: Mr. Wee and Boo’s Wee-phabet Songs With A Fun Twist and printable Wee-phabet mat

Let’s Play:

1. Choose one of your child’s favorite ABC songs from Mr. Wee and Boo’s Wee-phabet Songs With A Fun Twist, and have your child use his finger (or a fun reading pointer) to identify the letters on the Wee-phabet mat as the letters are sung in the song.
2. After the song is over ask your child to point to and circle the letters that are in his name (or other letters you are focusing on that week.)
