

# ABC Book Activity 3: Wee Wonder

## Activity 3

The focus of “Wee Wonder” is to reinforce letter identification as well as build vocabulary and learn facts about some of the words found in *Mr. Wee and Boo’s Wee-phabet Adventure* by Danielle Rivera and Emmanuel Colliot.

**Grades:** preK-3rd

**Goals:**

- Reinforce letter identification
- Build vocabulary

**Materials:** *Mr. Wee and Boo’s Wee-phabet Adventure* by Danielle Rivera & Emmanuel Colliot

**Let’s Play:**

1. Turn to the “Did You Know?” section in *Mr. Wee and Boo’s Wee-phabet Adventure*. Ask your child to point to a bold letter and word in that section that he would like to learn an interesting fact about.
2. Your child will choose a letter and word such as **Aa – Alligator**, then you will read the fact for the chosen letter and word while you and your child point to the words.
3. After the fact is read, ask your child to use the ABC book as he looks for this letter. When the letter is found, your child will point to the letter of the alphabet and say its name and sound.
4. You will then ask your child to find the word alligator in the text.
5. Then read the page again and ask your child to listen for more words that have the identified sound in it. Continue with more letters if your child chooses to.
