

# ABC Book Activity 4: Wee Wonder

## Activity 4

Read our rhyming ABC book to the melody of Twinkle, Twinkle and add a new twist to the story. Your child will build rhyming skills in “Twinkle, Twinkle, Reading Rhymes.”

**Grades:** preK-3rd

**Goals:**

- Identify and recognize rhyming words
- Identify and recognize word families

**Materials:** *Mr. Wee and Boo's Wee-phabet Adventure* by Danielle Rivera & Emmanuel Colliot

**Let's Play:**

1. Using the Twinkle, Twinkle melody you will sing the words in our children's ABC book, *Mr. Wee and Boo's Wee-phabet Adventure*. After singing once through, add a clap every time you read a word that has a rhyme.
2. Now that you've modeled what it looks like, your child will be ready to start. This time when you “sing” the story, have your child clap with you as you read the rhyming words.
